Tuition Payment Policy
Sullivan University is an independent, private, co-educational university, which does not receive financial support from sources other than tuition, fees, and bookstore sales. Due to the highly specialized training offered, the limited enrollment and small classes, the university quotes day division tuition charges on a program basis only. Current program rates are listed below.

The University offers courses of study in the day division which range in length from one academic year through a bachelor's degree, and enrolls students for complete programs rather than individual subjects. Applications for minor age students must be signed by a parent or guardian. Financial arrangements and payment terms must be completed on or before the scheduled date for entrance. After entrance, no examinations may be taken and no grades may be entered until all tuition and other fees are in order.

Official Tuition Reduction and Adjustment Policy
If a student withdraws or is withdrawn from Sullivan University prior to the completion of the program, he/she will be obligated to Sullivan based on the tuition reduction policy listed in the University catalog.

If a student withdraws or is withdrawn and has not paid the non-refundable percentage of tuition, the remaining unpaid balance of the percentage must still be paid as agreed.

The University expects the student to complete his/ her course of study. The program student has 1 1/2 times the stated length of program to complete their course of study without additional tuition charges beyond the stated course rate as long as satisfactory academic progress is being made by the student and the student is continuously enrolled each quarter.
